WE DEDICATE THE 1978 DYNAMIS IN MEMORY OF RYLAND ROGERS

We at Northwest are traveling a road with many different destinations; sometimes the road is straight, sometimes curved, sometimes up, sometimes down - but always in motion. We have many signs to guide us in our journey, some real, some imagined. All are easily recognized.

Greg,
It has been fun being in accounting with you. Good luck in everything you do. Behave this summer and be good.
Love,
Sheryl '78

HOMECOMING "77"

Homecoming 1977 was held on Friday Oct. 21. The theme this year was "The Wild Wild Northwest." The drama department presented a skit that told of the womanless town of Bernieville and its heartbroken men. Nevertheless, they were saved by the arrival of the 47 lovely girls on the homecoming court. The cast consisted of Dean Martin, David Barrier, Mike Stirewalt, Tony Millsap, and Joey Dillard. Wade Cavin and Bobby Weatherman served as announcers. The skit was written by Jim Riggs and David Barrier.

The highlight of the evening was the crowning of Miss Gridiron 1977. Patti Chewning, by Miss Gridiron 1976, Sharon Weaks. Representing the Junior class was attendant Miss Kelly Payne and Miss Lori Flippin, representing the Freshmen-Sophomore classes.

After a hard loss to Albemarle, the annual homecoming dance was held in the gym. The Trojans danced until midnight to the sounds of Shamrock.

The Homecoming festivities were sponsored by the Varsity Cheerleaders.

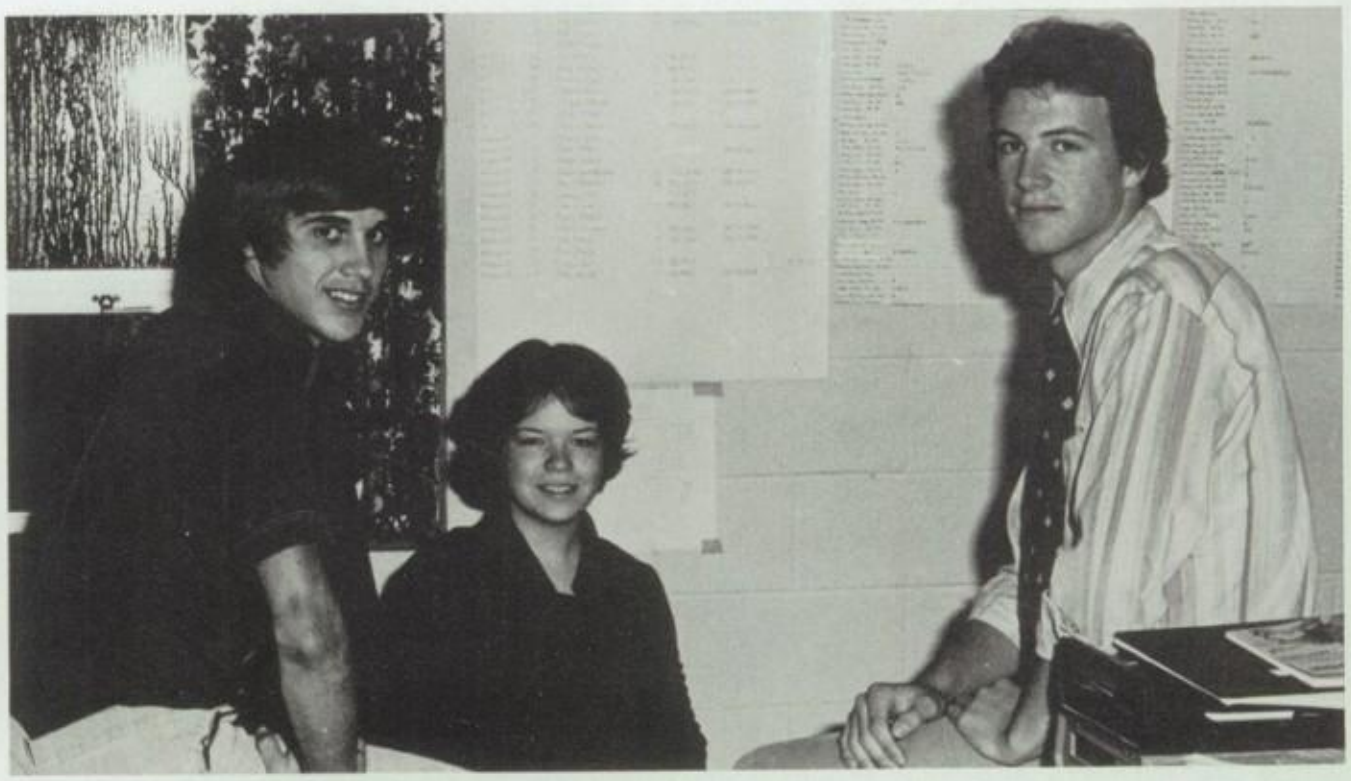
Kumar Rajasekhara and Steve Holbrooks both participated in summer programs ranging from 4-6 weeks. Kumar studied physics at East Carolina University and Steve studied advanced math courses at Davidson. Rebecca Love, possessing the qualities of leadership, dependability, patriotism, and service, received the title of D.A.R. Good Citizen.

Rebecca Love

David Doby, Susie Caldwell, and Steve Holbrooks were selected to serve as Junior Rotarians for Northwest. This selection was based on the individual's leadership abilities, personality, and achievement.



SPEC Wingate

Kay Dayvault, Tracie Hunter, and Libby Rogers

The Southern Piedmont Educational Consortium provides outstanding high school students in three area counties with the opportunity to uniquely enrich their educational experience. This program is designed to meet certain needs of that group of students who will compromise a good part of our society's future leadership. The social studies area studied at Wingate concentrated on the political, economic and social institutions of our nation, with emphasis on future directions.

Catawba

Tony Haynes, Tracy Smith, Leroy Floyd, Vanessa Gulledge, Anna Litaker, and Lou Anne Sides.

These students studying math and science at Catawba concentrated on science as a human activity, with emphasis on technology, biology, and science history.

The mathematics section deals with the computer and its influence on man's development.

Pfeiffer

Lisa Coleman, Sheila Beam, Tiny Nelson, Amy Allison, Yvonne Irvin

These students studying fine arts at Pfeiffer looked at the role of the artist in society. Emphasis is on creative writing, drama, music and visual art.

A Junior student from Northwest visited Europe and also Africa. Mark Gibbs accompanied his family on a missionary exchange program to Kenya, Africa. Other than Kenya he also went to ten other countries which included; England, Morocco, Canary Islands, Gambia, Sierra Leone, Liberia, Nigeria, Switzerland, East Germany, and West Germany. His trip took seven weeks spending most of his time in Africa. Seeing the poverty and need of the people there was depressing to Mark, but seeing how money from the U.S. was helping over there made the Gibbs family feel better. "I had no idea what the trip was going to be like when we were first chosen. I really didn't want to go but I'm really glad I did." He also said that Europe was much more exciting than Africa. "I want to go back sometime in the future but not for at least ten years."

African Safari

Two Northwest students, Pam Waters and Janet Chester, were fortunate enough to spend their summer in Europe. Their trip included England, France, Italy, Switzerland, and a Mediterranean Cruise which took them to Yugoslavia and many of the Greek Islands. Communication was a slight problem but overall they got along rather well. Two of the most exciting things in France were going to a Rock Concert and seeing the Eiffel Tower. Both Janet and Pam agreed that Switzerland was their favorite place of all. It was so clean and beautiful. In Zermatt they took a cable car high in the Alps, and even had a snowball fight in the middle of July! They both loved every minute of their trip and said that it was a wonderful experience and that they would love to go back again.

In addition to being a body of Student Government, the Student Council helps to train many future community leaders. Under the direction of advisor Mrs. Mary Lou Lawson, the student representatives learn many of the procedures and principles of government in general and participate in the making of school rules.

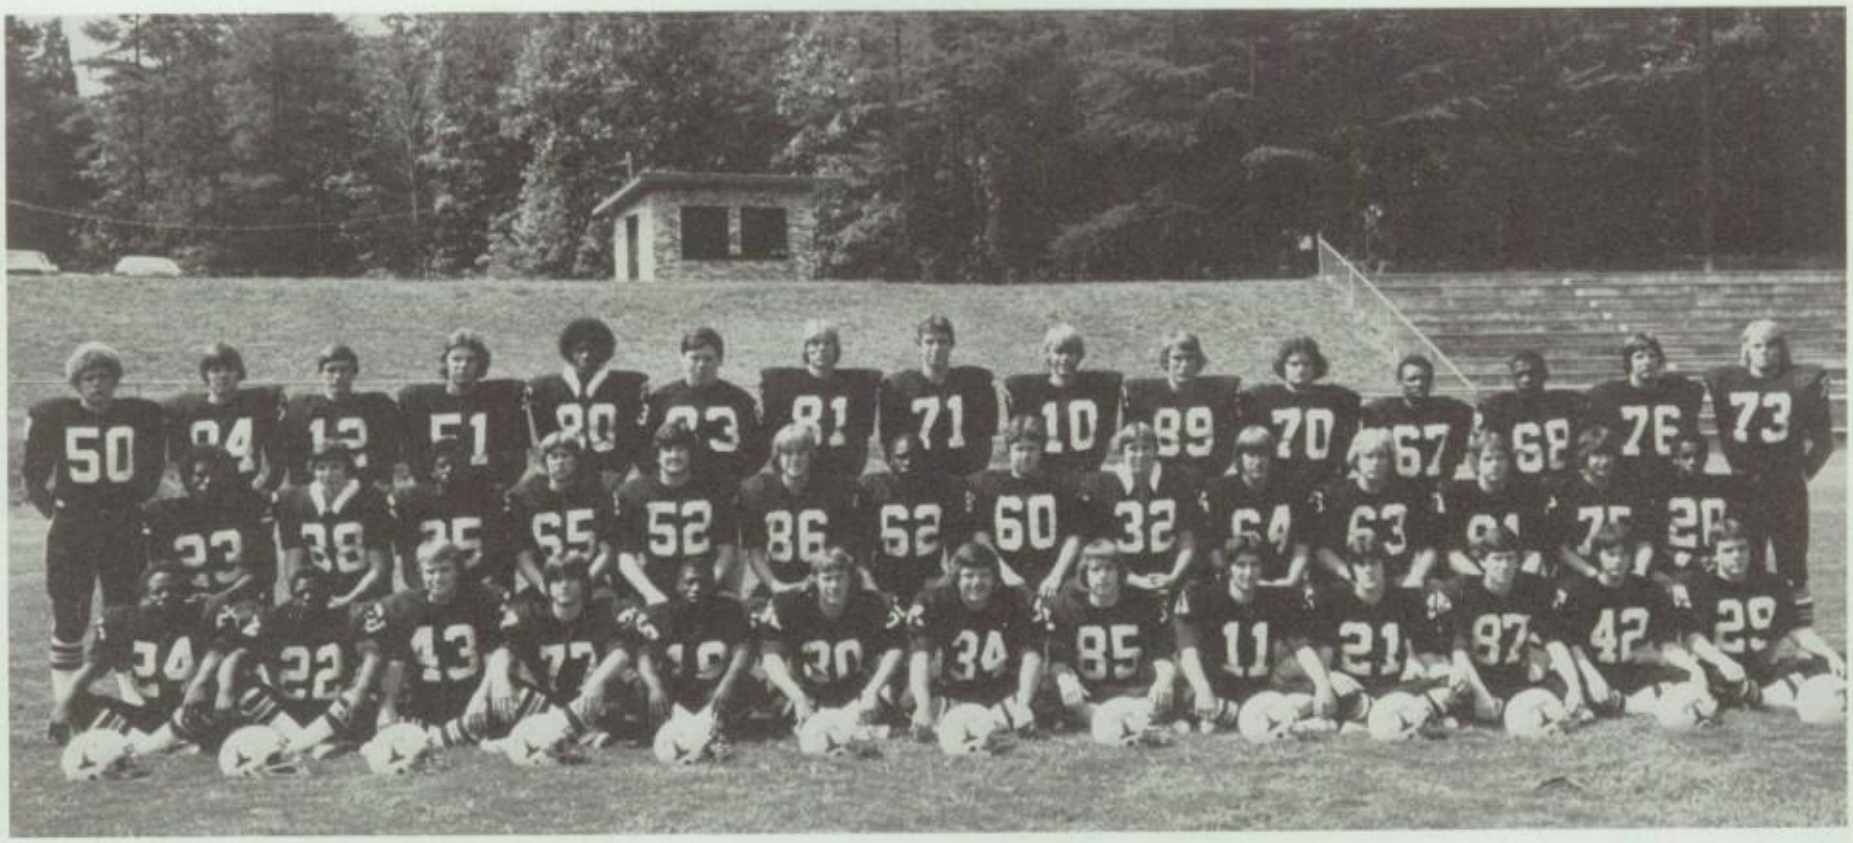
FRESHMEN

'77-'78 VARSITY FOOTBALL TEAM



Row 1: Reggie Brewer, Avery Weaks, Randall Wallace, Jeff Mills, Charles Connor, Victor Sullivan, Kelly Overcash, Mark Carriker, Dale Crook, Craig Waller, Donnie Frye, Randy Keller, Mark Kitris. Row 2: Vernon Harris, Ken Kepley, Shawn Walker, Tim Johnson, David Meredith, Brandon Barrier, Ricky Gilmore, Tim Wingler, Larry Widenhouse, Tim Barnes, Donnie Barnhardt, Scotty Griffin, Keith Barnes, Tony Alexander. After the 1976 Trojan football squad finished their season as State 3A Semifinalists with an 11-2 record and the final Rocky River Conference 3A Championship to their credit, everyone knew it would take a superb effort to satisfy the Trojan fans the following season. After graduation had taken its toll, Head Coach Sonny Pruette and his assistants, Johnny Harwood and Dennis Shinn were left with only the raw materials with which to build their 1977 squad. But a lot of hard work and devotion gave our school a team which was not only respectable but which was also in the thick of the South Piedmont Conference race beyond mid-season.

The Trojan defense, behind the leadership of tri-captain Robbie Hathcock, appeared solid from the first game of the season. After several weeks of experimentation with some new players in key positions, the offense also began to click. Then after a rough start the Trojans got back on track with a 20-0 romp over the Mt. Pleasant Tigers.

Trojan fans found themselves on the edges of their seats on several occasions during the following weeks when the Conference competition began to stiffen. On consecutive Friday nights the Trojans beat North Stanley 3-0 on a Rex Keener field goal in the final ten seconds and nipped Sun Valley 33-32 in overtime. Then the following week, the Trojans played the best game of their season to that point, only to lose a heartbreaker to archrival Central Cabarrus on an overtime touchdown 13-7.

We can certainly be proud of the 1977 team, and the DYNAMIS would like to take this opportunity to thank both the coaches and players for bringing us many memorable Friday nights and to congratulate them for a job well done.

Coaches Jim Gilreath, Bob Angley, and Larry Lackey put together a fine J.V. Football team at Northwest this year. The Baby Trojan offense was impressive all season as when they rolled over Sun Valley 43-6. With several talented backs and a strong offensive line, the Northwest Jayvees put together one of the strongest offenses in the conference. The Jayvee Trojans truly carried the Northwest spirit onto the field with them this fall.

Entering the newly aligned South Piedmont Conference, the girls' tennis team faced a struggle with highly competitive teams from Concord, South Rowan, and Albemarle. However, some individuals were highly successful in the conference and in the Sectional Tournament. Gayle Caldwell had an outstanding season as the number five seed and Penny Cartner captured the number four position. Renee Barbee came on strong to finish the season at her number six position. These girls will be back on the courts for Northwest again next year along with some promising young players who didn't see much action this season. Hopefully, they will lead our girls to a successful campaign next fall.

Providing sports thrills during the spring at Northwest is the Boys' Tennis Team. This year the Trojans, under the direction of Coach Bill Case, will try their hand at the new SPC Championship.

The Trojans will rely on the experience of the returning players and the ability of the new arrivals. We are sure that these young men will bring home many victories. Best of luck from the 1978 Dynamis Staff.

The 1977-78 Ladies of Troy surprised many local fans and conference opponents with their success on the hardwood this season. With only five players returning from last year's RRC championship team at the season's opening, our Ladies were given slim chances of putting together a winning season by many local writers and fans in the newly-aligned South Piedmont Conference. But the Ladies Of Troy were able to do this and more. They not only posted a winning record but were able to defeat some other good teams in the conference and stay in the SPC race.

Although lack of varsity experience was a major obsticle to be overcome, Coach Bernie Edwards guided his girls to several early victories and the team soon jelled around experienced returnees Sandra Ford, Maria Grass, and Altavia Connor, the team's leading scorer and rebounder. The starting five was rounded out by junior guards Penny Cartner and Donna Edgison, who always seemed to be able to work the ball inside on offense for the easy basket.

The DYNAMIS staff would like to congratulate our girls on their performance this season, and to wish them much future success.

Under the direction of a new coach, Ms. Rosa Burnette, the junior varsity Ladies of Troy have enjoyed an outstanding season, suffering only two close losses to South Rowan and North Stanly. The season high light was a resounding trouncing of Central Cabarrus on Central turf. Led by the inside shooting of Gayle Caldwell, the rebounding of Bridgette Walker and Sharon Mercer, and the defensive play of Tiny Rinehardt aided by Myra Caldwell, the Ladies of Troy have proven themselves formidable opponents in the newly-formed South Piedmont Conference.

A tough pressing defense and sharp passing offense enabled the Northwest Trojans to carry on our winning tradition this year against some not-so-traditional opponents. Because of the new conference alignment for the 1977-78 season the Trojans were forced to play several uniform teams, including the highly competitive squads of Albemarle, North Stanly, and South Rowan, but in most cases still came out of the contest as winners. After two early season losses to Kannapolis and South Rowan, the Trojans bounced back and through determination and pride, were able to play some of their best basketball of the season in winning several consecutive conference encounters.

With Coach Bob Angley at the helm and 6'4" pivot Johnny Carson picking up most of the scoring and rebounding burden, the Trojans were able to rack up many pionts every night on the floor; and the steady full-court pressure of David Doby, Randy Baker, Robbie Hathcock, and Steve Holbrooks on defense forced many turnovers and kept most of their opponents off-balance offensively, leading to several lop-sided victories.

We are certainly proud of our basketball tradition that has been established and particularly of this year's team. And we also hope this tradition will prove to be a long-lasting one in the years ahead.

Groans, moans, blood and sweat were characterestic of the Northwest Trojan grapplers as they geared up for their demanding wrestling program. It all paid off in a big lead-off win over Mooresville; following that, an exciting upset win over a strong A.L. Brown team really launched the team; led by veterans Dwayne Rivens, Brian Cunningham, Martin Walker, and Ken Kepley, the 1977-78 grapplers have provided many exciting contests for wrestling fans. With only three years of experience among them, the Trojan grapplers have begun to make a name for themselves among the new South Piedmont Conference schools.

Congratulations go to Coach Larry Lackey for his infinite patience in teaching such a challenging sport to so many, and also a outstanding athletic program.

Golf became a new addition to the Trojan sports schedule in the spring of 1977. Coach Bob Angley took on the responsibility of putting together the first golf team in the history of the school. Many area schools also sponsored golf teams for the first time and in their first season the Trojans competed against teams from Charlotte, Central Cabarrus, South Stanly, Forest Hills, Mt. Pleasant, and many others. Although many of the participants were playing competitively for the first time, the Trojan duffers adjusted readily and showed signs of steady improvement throughout their season.

The 1977 team finished its inaugural season with a 1 win-7 loss mark. We are looking forward to much future success on the greens in the years to come.

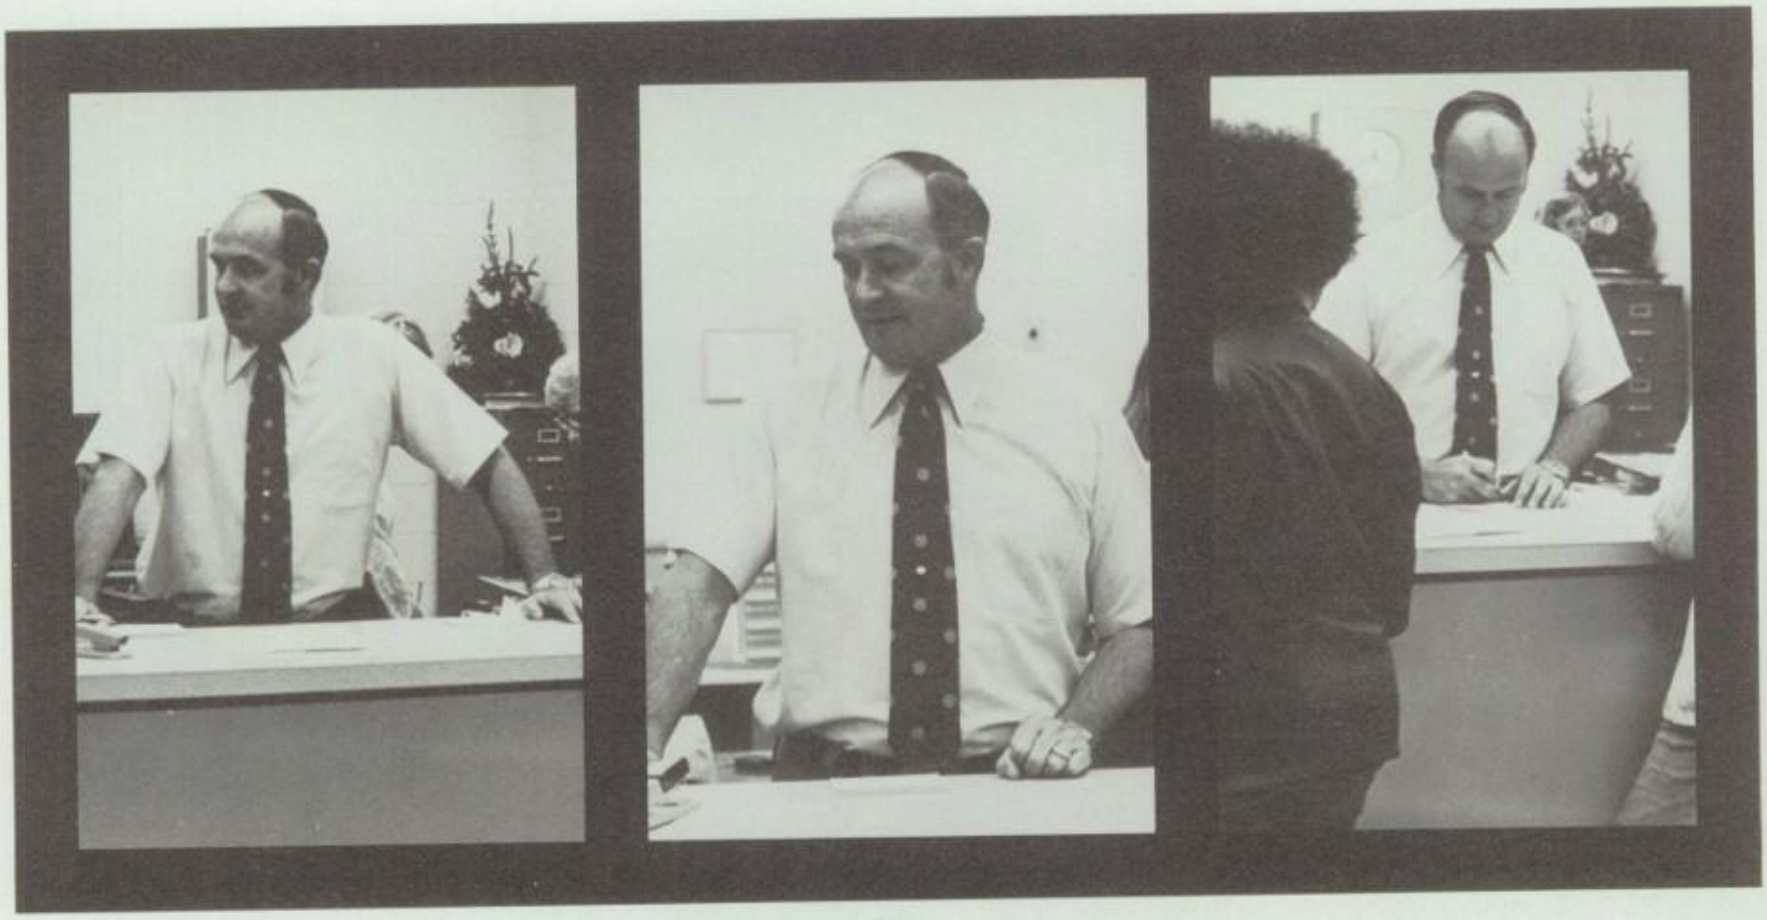
Administration



We at Northwest Cabarrus are undergoing a reevaluation of our school in preparation for a visit from the Southern Association of schools and colleges. Northwest was first accredited in 1966; the students and faculty are working hard to insure that we maintain the same high standards as first set by the Association. Committees composed of students, faculty, and interested community members are engaged in studying the school's curriculum, physical plant, staff, extracurricular activities, philosophy and objectives so that we can evaluate our school's strengths and weaknesses. Proud of our school, we are confident that Northwest will be accredited again in 1978.

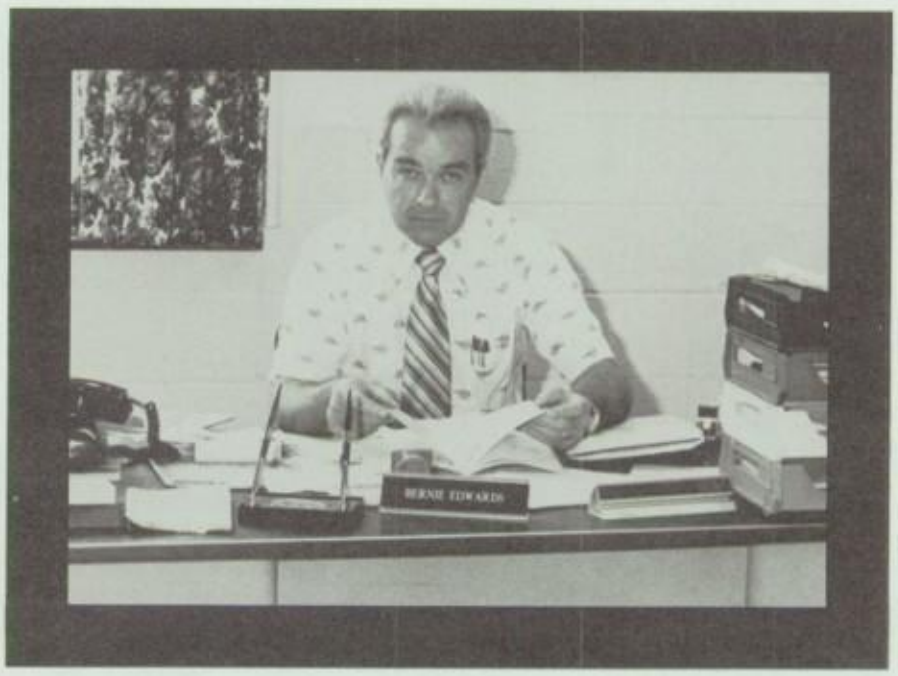
Mr. Bernie Edwards



Responsibility for discipline, the athletic program, bus scheduling and absentees, keeps our assistant principal, Mr. Edwards, very busy. We are fortunate to have him at Northwest and appreciate all his efforts in our behalf.

Our guidance department consists of Ms. Betty Presson who this year works with seniors and freshmen and Mrs. Jane Smith, who works with juniors and sophomores. Together they are responsible for freshman registration, cumulative folders, testing, and college applications.

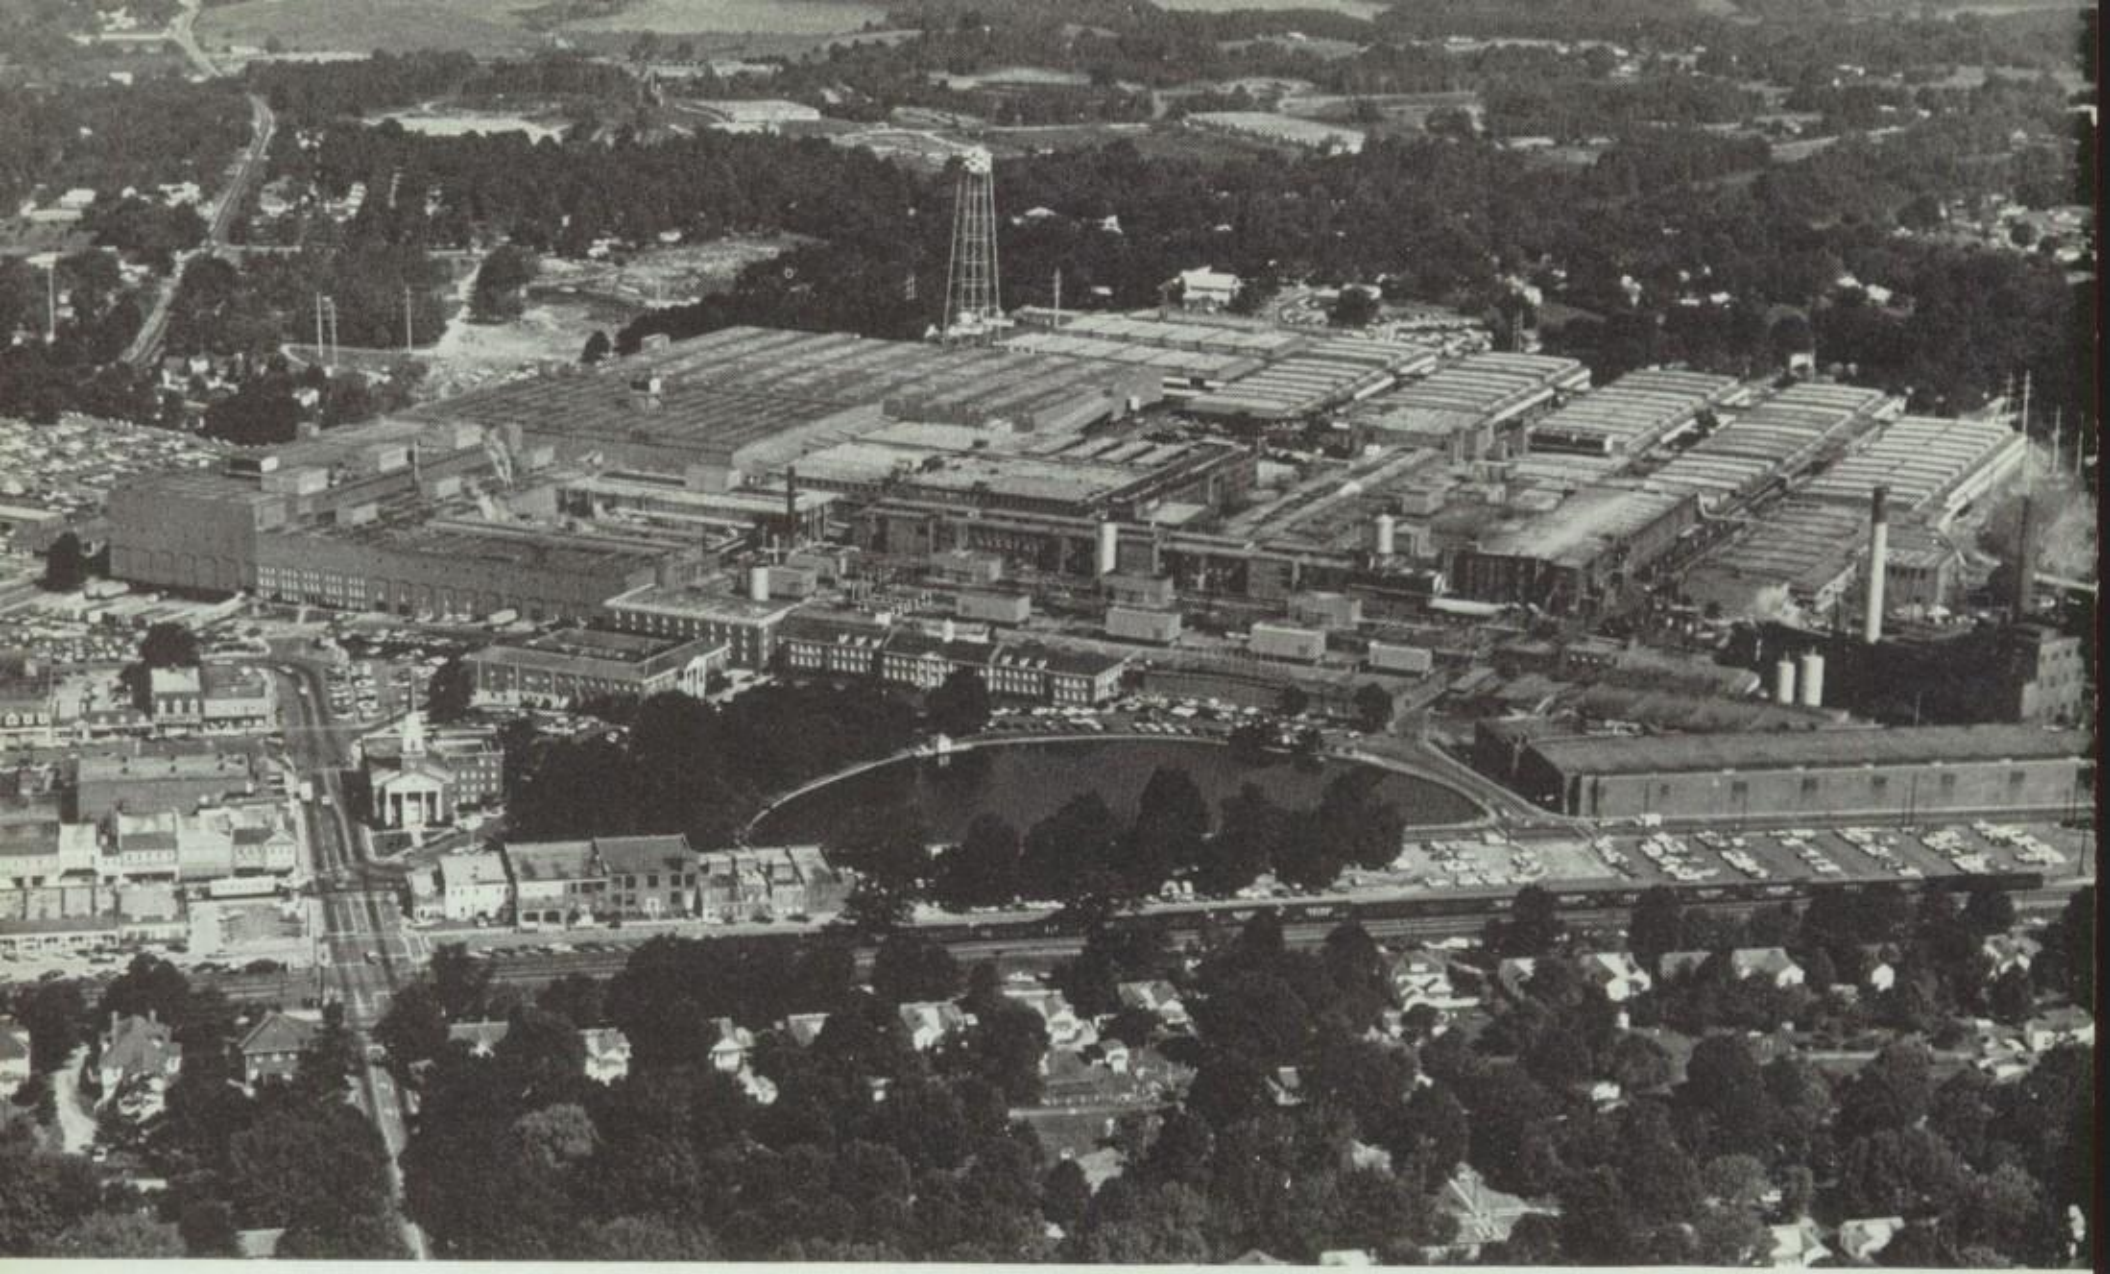
Mooresville, N.C.
Our 65th year



An aerial view of Executive Offices and Plant 1, Kannapolis, N.C.

WHAT MADE 90 YEARS OF GROWTH POSSIBLE?

Founded in the grim, reconstruction days of 1887, why did Cannon Mills succeed when so many other of those early textile companies failed?

How did Cannon grow and expand for nine decades in one of the world's most fiercely competitive businesses — textile manufacturing and merchandising?

Why did it become a leader in the U.S. textile industry, spanning such a long reach of American history — World War I, the Roaring Twenties, the Great Depression, World War II, the Korean Conflict, the Vietnam War, and space exploration?

There are many answers to all these questions but the most important is people. Cannon people. Men and women . . . young and old . . . different races and origins . . . generations of people working together with uncommon dedication, skill and loyalty.

Cannon people are the professionals with all the skills and talents necessary to operate a modern, growing textile company. They — and we — are proud to be a part of America's first great industry — textiles, as old as man and as new and exciting as tomorrow.

There are many career opportunities for ambitious young people looking for a challenge. Cannon Mills is, of course, an Equal Opportunity Employer.

My years at Northwest seemed to go by too fast. So much happen in a year, it's hard to remember everything. The DYNAMIS Staff ha tried to capture some of these memories. Special smiles from speci people, the feeling of sitting through grammar class, and the nois of the cafeteria in the morning; everyday things, but I hope you ca still remember it in ten years, because of the '78 DYNAMIS. I wa to say "thank you" to the hard-working and dedicated staff. I als want to say that without Mrs. Hipp's business mind and Mrs. Cooke advice and direction, the DYNAMIS would not exist. Many peop helped to put this book together, but it's core is the student bod I pray that as the class of '78 leaves, the classes following will kee Northwest the best school around and be proud of the Troja name.
